

Chaos Bug

Description

Small hopping insects found on the pathway between the Demon Ruins and Lost Izalith. They have no means of inflicting damage. There is one with a unique, red glow to its eyes that does not respawn. The red-eyed Chaos Bug provides a useful item and is linked with Solaire of Astora's storyline.

Location

Demon Ruins & Lost Izalith

At the shortcut between the two areas, where the gate unlockable with the Chaos Servant covenant is found. Turn right before the Demon Firesage boss fog to find a tunnel full of roots. Three of them are on the Demon Ruins side, and six of them (including the red-eyed Bug) are on the Lost Izalith side.
