

Cragspider

Description

A Hollow transformed into a spider creature that is able to breathe fire. Though it has some small mosquito-like wings it can't really fly and only hovers above the floor with them.

This monster has the same roar-on-death sound as the Man Centipede from Demon's Souls.

Location

Blighttown

Flame Whip	337 (Fire)	Normal	No	Neither	Medium
Fire Egg	396 (Fire)	Normal	No	Neither	Slow

Strategy

They're not very hard to defeat but their fire attacks can be dangerous. Quickly approach and hit before they spit fire. Be cautious of standing behind them, as they sometimes shoot fire from their tails.
