

Small Undead Rat

Description

Undead rat with festering open wounds and poisonous attacks. Even though it's the smallest of its kin, it's still the size of a dog. Not very strong, but often appear in groups, so be careful and bring poison resistance equipments.

Location

Firelink Shrine

One is located inside the aqueduct tunnel connecting the Firelink Shrine to the Undead Burg.

Playthrough	HP	Souls
New Game	80	20
NG+	207	100
NG+6	260	125

Undead Parish

There are three in the room with the ladder underneath the Hellkite Dragon bridge.

Playthrough	HP	Souls
New Game	96	20
NG+	239	100
NG+6	300	125

The Depths

Found in various locations throughout the level. A few are hiding in boxes and will ambush the player.

Playthrough	HP	Souls
New Game	112	60

NG+	273	300
NG+6	341	375

Drops

Humanity

Attacks

- Biting attack - Basic attack, swinging its head against the player. Poison buildup on hit.
- Standing attack - Will get up on it's back-feet and kinda drop down with it's paws. Poison buildup on hit.

Strategy

- Don't get surrounded by these rats as even if you block its attacks, it still builds up poison.
- Block safely using 100% poison resistance shields such as Spider Shield, Crystal Shield, or Greatshield of Artorias.
