

# Blighttown Key

## In Game Description

---

*Key to Blighttown from the Depths of the Undead Burg. Swallowed by the Gaping Dragon.*

*As its name suggests, Blighttown is a place of great pestilence. Even the polluted inhabitants of the Depths are aware of its dangers, and built this mighty door in hopes that they could remain safely separated.*

## Availability

---

Defeat the Gaping Dragon in the Depths

## Opens

---

The large double doors near to where Domhnall of Zena sits in the lower level of depths that lead to Blighttown

---
