

# Key to New Londo Ruins

## In Game Description

---

*Key to the iron bars separating the ruins of New Londo and Drake Valley.*

*The ruins of New Londo were blocked off, for the cursed ghosts posed danger to life and spirit, and the legends speak of a terrible Dark that was sealed away.*

## Availability

---

Found in a chest in Blighttown near the entrance to the Valley of Drakes

## Opens

---

Gate between New Londo Ruins and the Valley of Drakes

---
