

White Dragon Breath

In-Game Description

Sorcery developed by Logan during his infatuation with Seath the Scaleless. Emit crystal breath of Seath the Scaleless.

Although it no longer causes curses, what madness caused old Big Hat to appropriate this frightful power of the ancient dragons?

Availability

- Dropped by Big Hat Logan in The Duke's Archives **after** Seath the Scaleless is defeated, regardless of following his story (confirmation needed).

- Fires laser in viewing direction, but angled downward. Will spawn crystal spikes that follow the terrain along its direction, even after hitting the ground. The crystal spikes will travel a short distance up walls or trees, across ceilings, and down cliffs. The effect of the laser does not line up with the start of the trail, which typically begins underneath it before the impact.
- Can hit multiple targets as long as the targets are on the ground.
- Slow casting speed. Shares casting animation with Heavy Soul Arrow, Great Heavy Soul Arrow, Dark Orb, Dark Fog and Pursuers.

- Unlike Seath's crystal breath, this sorcery doesn't have Curse buildup
- This spell does not work in the Abyss when fighting the Four Kings.
