

Servant Roster

In-Game description

Online play item.

Check servants of the Daughters of Chaos.

Egg-bearer Eingyi keeps this roster of those who serve his master, a Daughter of Chaos. Eingyi praises those who offer significant humanity to alleviate his master's suffering.

But what is praise from Eingyi really worth?

Availability

Sold by Eingyi for 500 souls

Use

- Allows you to browse all players that contributed to the Chaos Servant covenant. Displays a list you can scroll around sorted by humanity donated by players in this covenant
 - No other uses are known as of yet
