

# Servant Roster

## In-Game description

---

*Online play item.*

*Check servants of the Daughters of Chaos.*

*Egg-bearer Eingyi keeps this roster of those who serve his master, a Daughter of Chaos. Eingyi praises those who offer significant humanity to alleviate his master's suffering.*

*But what is praise from Eingyi really worth?*

## Availability

---

Sold by Eingyi for 500 souls

## Use

---

- Allows you to browse all players that contributed to the Chaos Servant covenant. Displays a list you can scroll around sorted by humanity donated by players in this covenant
  - No other uses are known as of yet
-
