

Undead Merchant Female

Description

Like her male counterpart, she's also an Undead who has hollowed appearance, but is not fully hollow. She primarily sells moss she has grown herself behind the iron bars, and some other useful consumables.

Location

Undead Burg

Once you have the Basement Key you will be able to enter the locked door on the Hellkite Dragon bridge. Go through the door and work your way towards the final tower (opposite the door to The Depths) where a single Hollow archer is up on a platform. The merchant is in the aqueduct tunnel nearby. Remember to open up the two shortcuts that make accessing the lower Undead Burg easier; the first is up a staircase by the bottom of the long ladder from the hellkite bridge, the other is in the tunnel with the merchant and provides a quick route to the Firelink Shrine.

Video: Female Undead Merchant's Dialogues

- **First time speaking to her**

Hmm, you still have your senses about you?
 Then why won't you buy some of my moss?
 I need your souls!
 Vee hee hee!

- **Greeting**

Oh, there you are, dearie!
 A pleasure to see you again.
 Vee hee hee!

- **Using "Talk" option**

1. This is a wonderful place, don't you think?
 We have water, moss, moisture, these nice iron bars...
 I like it here, I really do.
 Nothing good ever happened to me in life.
 But now that I'm Undead. I've never been happier!
2. Tell me honestly...
 You think I've gone to the other side, don't you?
 That I've cracked my head and gone Hollow...
 You do, don't you?
 I can see it in your eyes.
 You'd trust a patch of moss over me...
3. Ah, go down along the side to reach the depths of the Burg.
 Only unkempt crooks and liars to be found there.
 Hardly a place for a lady like myself!
 But who knows, maybe you'd fit right in?
 Vee hee hee hee hee!

- **Leave (after buying)**

- Come again, if you please!
Vee hee hee!
- Much obliged.
I think I like you.
Vee hee hee hee hee!

- **Leave (without buying)**

- Drat.
What a humdrum lad/lass you are.
- Hmph, fine, then.
But you'll regret it.
- Are you toying with me?
One day, your fate will catch up with you.
I have a sense for these things...
The Gods above are watching you!

- **Abruptly leave then speak to her again**

- Don't run off!
- What's the matter with you!
Don't you toy with my nerves!

- **When attacked without made hostile**

- Why, you!
- Stop that!
- Ouch!
- Eek!

- **When attacked and made hostile**

What do you thing you're doing?!

I have my pride, you damn fool!

You think you can get away with murder?

Yes, I suppose you think you're special!

Well, you're not! You're just another customer!

Burn! Burn in hell!!

You cross eyed Hollow!

There's no hope for anyone like you! The Gods will not have it!

Die! Die!

Die a thousand times again!

Curses upon you!

Upon you, and yours,

for generations eternal!

All of you!

Eternal pain and suffering!

Lots and lots!

- **When killed**

A curse upon you..._
