

# East Wood Grain Ring

## In Game Description

---

*This special ring crafted in an Eastern land is made of gold, but with a wood grain crest on its surface.*

*The ring slows the loss of weapon durability and is particularly useful to bearers of delicate swords crafted in the East.*

## Availability

---

Sold by Shiva of The East for 10,000 souls

## Use

---

Slows loss of weapon durability by half

## Notes

---

- Does not affect durability lost from using weapon skills. For example, using Grant's 2-handed strong attack still drains 200 durability points whether you equip this ring or not
- Useful for Katanas and Crystal weapons
