

Greatbows

Greatbows are colossal ranged weapons that fire special great arrows, dealing massive single-shot damage and often sending foes stumbling. They have extremely slow firing rates and high Stamina costs, making them best for planned ambushes or long-distance engagements rather than reactive combat. Used strategically, especially with the Hawk Ring, Greatbows can knock opponents off ledges or interrupt tough enemies before they get close, functioning as area denial or crowd control tools in specific scenarios.

“ Bow of the Dragonslayers, led by Hawkeye Gough, one of Gwyn's Four Knights.

This bow's unusual size requires that it be anchored to the ground when fired.

Only uses specialized great arrows.

Availability

Found in Anor Londo above the area where you fight Ornstein and Smough.

There will be a broken stained glass window that leads to some small steps followed by a very tight ledge. Hug the wall while on the ledge, all the way around the building then roll off the end, over some railings. After landing on the spot with the Dragonslayer Greatbow, get out through a large hole in the fence, towards the section with the Giant Blacksmith.

General Information

Can only be used with Dragonslayer Arrows and Gough's Great Arrows.

Outclassed by Gough's Greatbow in both range and damage due to better stat bonuses.

Has a Bow Dist Rate of 0.
