“ Halberd of the black knights who wander Lordran. Used to face chaos demons.

The large motion that puts the weight of the body into the attack reflects the great size of their adversaries long ago.

Availability

Dropped by the (non-respawning) halberd-wielding Black Knight near the bonfire in Darkroot Basin, near Patches in Tomb of the Giants, and by the respawning Black Knight in the Kiln of the First Flame (20% drop rate)

General Information

Like all Black Knight weapons, this weapon deals extra damage to demon enemies such as the Taurus Demon and Capra Demon.

This weapon has higher poise damage compared to other halberds.

Like all Halberds, if an attack doesn't connect with an enemy, the user will stumble and seem to not be able to handle the weight. If the hit connects, the stumble animation does not come into play and the user moves as normal.
