“ *Scythe born from the soul of Priscilla, the stark white crossbreed trapped inside the Painted World of Ariamis.*

Even the Gods feared Priscilla's lifehunt ability, and in the hands of a mortal, its power will turn upon its wielder.

Availability

Created by the Giant Blacksmith in Anor Londo using:

- Soul of Priscilla
- Any +10 Halberd¹ or Whip
- 5,000 souls

General Information

50 Bleed to enemy for each successful hit

40 Bleed to wielder himself for each strike (self-inflicted bleed buildup)

Cannot be buffed

Like all Halberds, if an attack doesn't connect with an enemy, the user will stumble and seem to not be able to handle the weight. If the hit connects, the stumble animation does not come into play and the user moves as normal.

Because of the self-inflicted 40 bleed buildup for each strike, wield as much equipment with bleed resistance as possible (e.g., Bloodshield, Bloodbite Ring). Once the meter is close to filling up, swap weapons or consume a Bloodred Moss Clump.

One of the few weapons where the two-handed strong attack does more damage than the two-handed jump attack (forward + strong attack), same as the Great Scythe.
